Communication Regarding a Positive Test:
 TTT will notify by email the dancers/faculty member(s) who were present and potentially exposed to a confirmed positive dancer/faculty member as soon as possible but no longer than 12 hours after we have been notified. Due to HIPAA privacy laws, we will not share the dancer's/teacher's name or any identifying details. We will conduct an immediate thorough sanitization of the studio and any common areas where this dancer or staff member could have been. This cleaning will be in addition to the enhanced sanitation practices that already precede and follow each class. Any additional issues will be handled on a case-by-case basis such as class cancellations or converting the class to virtual.

PLEASE NOTE: Please do not attend in-person classes if you are placed under quarantine for any reason. This includes but is not limited to a quarantine recommended by/from your school/class, sporting activity, religious community, and/or a physician's recommendation. Please stay home until your quarantine is lifted by the appropriate authority and you've met the criteria outlined in this chart for safely returning to TTT.

*A close contact is defined as someone who lives in your household or someone you with whom you have spent an extended amount of time in close contact.
 **These are CDC guidelines at time of publication. Subject to change if CDC recommendations change.
